OBJECTIVE To obtain an Airport Planning Analyst intern position

EDUCATION

Embry-Riddle Aeronautical University (ERAU) Daytona Beach, FL
Bachelor of Science in Business Administration May 2020
CGPA 3.2/4.0 Dean's List, Honor Roll

Relevant Coursework:

Life Cycle Analysis	Corporate Finance	Production & Operations Management
Business Information Systems	Managerial Accounting	Ethics & Responsibility
Airport Planning	Airport Safety & Operations	Human Resources Management

PROJECT EXPERIENCE

Airport Market/Route Analysis – Leader of a three person team to analyze potential market segments for a new direct route from Daytona Beach International Airport to Westchester County Airport. Evaluated area within a 35 to 45 mile radius by creating a map with area zip codes and produced final recommendation and course of action for the DBIA business director. Presented findings to class.

TAMM Design- Airport Planning and Design Project – Utilized data from a local airport map to analyze and best optimize the airport processes and operation sequences to better meet operational capacity and demands. Utilized TAMM for airport optimization modeling and simulation.
